

To Our Disability:IN Wisconsin Members and Community Members

The Americans with Disabilities Act is celebrating 30 years since the landmark legislation in making the US more accessible. Globally, there are 1 billion people with disabilities. Where will your business be in the next 30 years? Here are your steps to build your corporate inclusion roadmap.

1. UNDERSTAND AND EVALUATE

Start by learning from top inclusive brands and register for the Disability Equality Index, a confidential benchmarking tool. Share your stories about your ERG/BR's, Mental Wellness Roadmap, Power of Peer-to-Peer Care

2. ENGAGE

Stories illustrate how recruiting talent through our NextGen Leaders, building a disability inclusive culture through Inclusion Works, and diversifying the supply chain by using a Disability-Owned Business Enterprise deepens a company's disability advantage. Share your stories within your organizations

3. EMPOWER

Learn more about how to empower leadership and ensure disability inclusion is implemented on every level. Share stories on technology that empowers hiring for ability not disability, fueling innovation through inclusion
